Confirmation 1 – Week 1 homework (Due 9/9)

Attendance
All confirmands must attend class as scheduled **along with one of their parents**. If the parents are unable to fulfill their responsibility, they can appoint a sponsor to take their place. (Sponsor = another confirmed family member or relative or baptismal sponsor).

Absences
If your child is sick or cannot attend class for some reason, a make-up class will need to be scheduled. Exception – If the child is absent, but the parent/sponsor is present, no make-up class is needed since parents can bring home what was learned and help their children complete the missed work.
