

CREATION		
DAY 1	→	Heavens and earth; light
DAY 2	→	Sky
DAY 3	→	Dry ground and seas; plants and trees
DAY 4	→	Sun, moon, and stars
DAY 5	→	Birds and fish
DAY 6	→	Land animals and humans

DIFFERENCES BETWEEN		
CREATION		EVOLUTION
God's eyewitness account	↔	Human theory
Six days	↔	Billions of years
Out of nothing	↔	Primitive cells
By God's word	↔	An uninterrupted chance process
Humans are special creatures	↔	Humans are just highly developed animals
Accountable to God	↔	Master of our own destinies

## God preserves his CREATION

Provides  
for us

by  
natural  
means

by  
miracles

RICHLY  
and DAILY

Protects  
us

by  
keeping  
evil away

by  
making  
evil serve  
my good

Through  
Thousands of  
SUPERHUMAN  
ANGELS

## The DEVIL

*revolted and was condemned  
(with his angels)*

He led Adam and Eve  
into sin (the fall)

He wants everyone  
on earth to suffer,  
to die, and to  
spend eternity  
with him in hell

They ruined God's creation,  
lost the image of God,  
suffered painful  
consequences, became  
subject to death

Spiritual death  
Temporal death  
Eternal death

**God rescued us by sending a Savior**
